

SPRING 2021 SPONSORSHIP OPPORTUNITIES

Douglas Patriot Baseball is in year 6 of its Club Program. We are a non-profit organization and seeking businesses in the area to partner with us to help us continue our efforts to maintain a program that will allow our young athletes to participate at the High School level. Since South Dakota does not sanction the sport of High School Baseball, there is not an obligation from the schools to maintain and finance this program. It is up to the corporation, player fees, donations, and sponsorships to make up the resources to have a chance at a successful season. This is where we are asking help and generosity from your business. There are multiple donation packages available for your business. Each package will aid the program in purchasing uniforms, equipment, travel expenses, field usage, and safety gear. Because we are non-profit 100% of your donation will be invested to support the student-athletes of the program. Your donation will also be tax deductible.

*Donations made after February 15th will be represented with the 2021 team.

*Part of your donation will help sponsor a player. With each donation 25% of that donation will go towards the player fee for the athlete getting the donation.

*All contributions help. We will take any amount and greatly appreciate your time and we hope to get your business consideration and support.

To donate to Douglas Patriot Baseball, please email us at DouglasPatriotBaseball@gmail.com or call or text Robert Usera (605) 391-7587.

Monetary Donations are payable to: Douglas Patriot Baseball Inc.
Mailed to PO Box 1148. Box Elder, SD. 57719

With Great Appreciation:

Douglas Patriot Baseball Inc.
